

Event Category: Flagship Event

Name of the Event: Science Crunch - Ensuring Science Literacy

Name and contact details of the coordinator: Ms. Monika Verma, monika.appsci@cumail.in

About the event:

A competition spurs scientific progress; in his classic 1957 essay, the sociologist Robert K. Merton viewed competition as a favorable influence on the scientific enterprise, which promotes the rapid dissemination of research discoveries and motivates scientists. “Science Crunch” a platform where students can display their intelligence and intellect. This is an effort to make science more collaborative. Knowledge of basic scientific principles, extensive vocabulary and expertise in Microsoft office are the key skills required to be part of this competition.
