**General Guidelines for TECH INVENT-2018**

University Institute of Pharma Sciences, Chandigarh University, Gharuan, Mohali, Chandigarh University is organizing a national event “Tech invent-2018” at the University Campus, Gharuan, Mohali, Punjab. University Institute of Pharma Sciences, Chandigarh University is organizing “Formulation competition” during 26<sup>th</sup> and 27<sup>th</sup> March, 2018 to encourage and motivate students of pharmacy profession. Recommended participation for each event from each Institute is two.

**Formulation Competition**

*Theme: Innovative Formulation*

Participants must be registered on [www.techinvent.cuchd.in](http://www.techinvent.cuchd.in). The pharmaceutical formulation should be innovative. There can be two members in one team and registration of both members of a team is compulsory. All the participants must prepare the formulation in the laboratories of University Institute of Pharma Sciences, Chandigarh University on the day and schedule of formulation competition. Participants must send the basic requirements (chemicals, apparatus, instruments, etc.) required to prepare the formulations before 18<sup>th</sup> March 2018 to [jitender.pharma@cumail.in](mailto:jitender.pharma@cumail.in)

**For any query please contact to event Coordinators:**
