## Metastasis

### Task

Metastasis (Teaching Competition)

### Arena

Teaching is an Art Form! A teacher is a master artist! The manner and skill with which artists employ their tools and materials to achieve an expressive effect is very similar to the teacher's art. Teaching is the specialized application of knowledge, skills and attributes designed to provide unique service to meet the educational needs of the individual and of society.

This competition is open for all students who are having a keen interest in showcasing their Skills and creativity for teaching with innovations in the current scenario.
