

Event Category: Flagship Event

Event Name: ENCOUNTER WITH COLOURS- REVITALIZING LIFE

Name and contact details of the coordinator: Mukesh Sharma| 9056820544| mukesh.e7120@cumail.in

About the event:

Encounter with Colors: 2021 is a creative competition visualized for the creative persons from diverse fields like drawing, painting, sculpture, photography, prints, digital medium etc. This will be a fine opportunity for many to avail especially due to tight corona situation prevailing in the country.

This competition and subsequent virtual display of all winners and participants will provide a unique opportunity to mix with new generation as well as older generation of creative thinkers which will greatly benefit to the Chandigarh University. This will be moreover a moral boosting support to all those who have lost many opportunities in the pandemic situation. This can certainly bring cheers to many faces and our society will be strengthening largely.

Objective

Objective of this activity is to better connect the art world with Chandigarh University. And to bring to the fore a meaningful association between various segments of society.

To give a truly international platform to the young and established creative person all around the world.
